

The background of the entire page is a dense, overlapping collection of antique poker chips. The chips are circular and come in a wide variety of colors, including red, blue, yellow, white, and brown. Each chip features a unique design or illustration, such as a bicycle, a lion's head, a ship, a bird, a star, and various symbols. The designs are often embossed or printed in a color that contrasts with the chip's base color. The chips are scattered across the page, creating a rich, textured background for the central text.
